

– Happy New Year to all of our wonderful clients & their pets! –

THE BROOKFIELD TIMES

January 2025

The whole team had a great night celebrating at our Christmas party at the beautiful Dewsall Court!

Christmas celebrations!

The team had a fabulous night of feasting and dancing at our annual Christmas party. It is a great opportunity for the whole gang of Ledbury & Hereford staff to get

together and let their hair down!

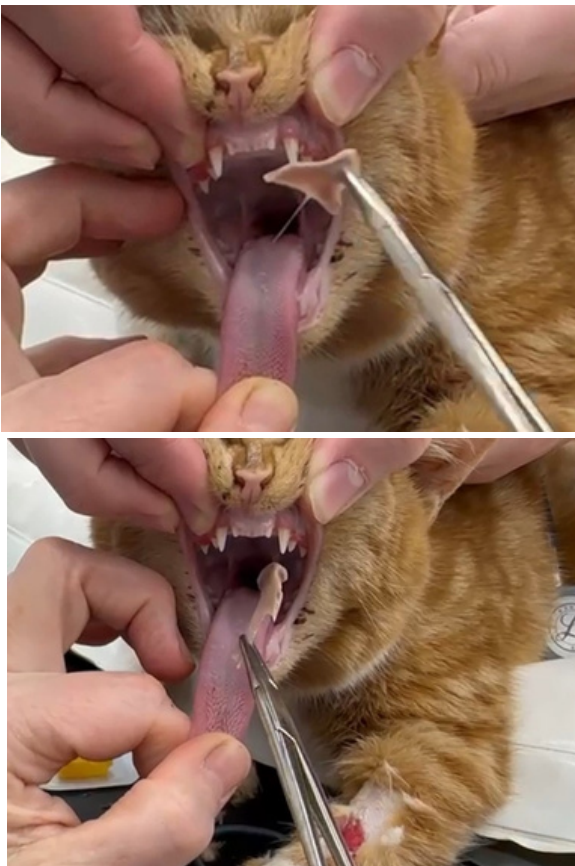

Vets 4 Pets in Hereford very kindly covered our out of hours for the evening and our team were back to it first thing on the Saturday morning to look after you all!

What's been going on in practice?

Bones... and why your pets should not have them!

We had a very interesting case arrive at the Ledbury practice during January. This lovely pussycat presented to us a little out of sorts. He was off his food (very out of character!) and his breath was a little whiffy! After a closer investigation we realised that there was something possibly stuck in his throat that he shouldn't have eaten. It turns out this little one had had a great time feasting on a carcass that he had found! We managed to safely retrieve a bone that was lodged in his throat. He is now doing fabulously and hopefully he will stay away from bones in future!

Congratulations to James!

James has now passed all of his exams and is now a Registered Veterinary Nurse. You can expect to see him doing nurse clinics in both branches.

Welcome back Katie!

We have welcomed Katie back from her maternity leave. You can expect to see her in the Ledbury branch in nurse consults and theatre admissions.

Welcome back Mel!

We have welcomed Mel back from her maternity leave. You can expect to see her in our Hereford branch. .

What's been going on in practice?

Trish has done it again! She may have been with us for 30 years but that does not stop her learning! For the past year she has been studying towards her Nursing Certificate in Physio & rehabilitation for companion animals. Well done Trish for all your hard work!

Our Ledbury branch Head Nurse, Jess, is not one to sit around! Last year after joining us she completed the BVNA Oral Care Certificate. This year she's been busy studying the BSAVA Emergency & Critical Care (ECC) with anaesthesia Merit Award, which she has now passed! Well done Jess!

We are so chuffed to announce our most recent award. We have received our certificate for the RCVS Small Animal Client Care Award.

Officially Outstanding 🌟

Well done to the whole of the Brookie Hereford team! The Ledbury gang are in the process of applying for theirs. so we will update you in due course as to how they get on!

Please keep us updated if you have any exciting news to share with us! We can include it in our next newsletter in the Spring.
